

# Knowledge Organiser Year 6 Geography: Dobwalls – How has Dobwalls changed?

## Concept: Human Geography

## Settlement change over time

Dobwalls Bypass was opened in December 2008:

Dobwalls' population in 1930 was 130. Here it is today:

Name	County / District	Population Census 2001-04-29	Population Census 2011-03-27	Population Estimate 2018-06-30
Dobwalls	Cornwall	1,317	1,418	1,569

Why do people live in Dobwalls?: Then vs now!

Dobwalls Theme Park (1970-2006): Then vs now!

Dobwalls Village (1906)

Dobwalls Village (1931)

Dobwalls School (1965)

Dobwalls Main Road (1965)

Methodist Church (1965)

Key Vocabulary	Things we already know New vocabulary
<b>settlement</b>	a place where a community of people live
<b>village</b>	a community made up of a small number of houses, usually in a countryside area. It is bigger than a hamlet but smaller than a town or city.
<b>civil parish</b>	a unit of local government below district and counties
<b>population</b>	the number of people living in a country, city or area
<b>Census</b>	taken by the government to count the number of people living in a country, city or town
<b>demographic</b>	the study of human population - how many people live in a certain area and how it has changed over time
<b>landscape characteristics</b>	special features that belong to or make up a place and make it different or unique
<b>bypass</b>	a road built as an alternative route around a crowded or busy area
<b>urban</b>	an area where lots of people live and work close together (e.g. a big city like London or Plymouth)
<b>rural</b>	an area that is not a town or city, often used for farming or agriculture
<b>urban to rural migration</b>	people moving from busy city areas to live in quiet areas such as towns or villages
<b>pull factor</b>	positive reasons for people to migrate to a new place
<b>push factor</b>	negative reasons for people to migrate away from where they live

Dobwalls is a rural village in the south-east of Cornwall, England, United Kingdom.

It is situated 2 miles west of the town of Liskeard.

The nearest cities are Plymouth (21 miles), Truro (34 miles) and Exeter (63 miles).

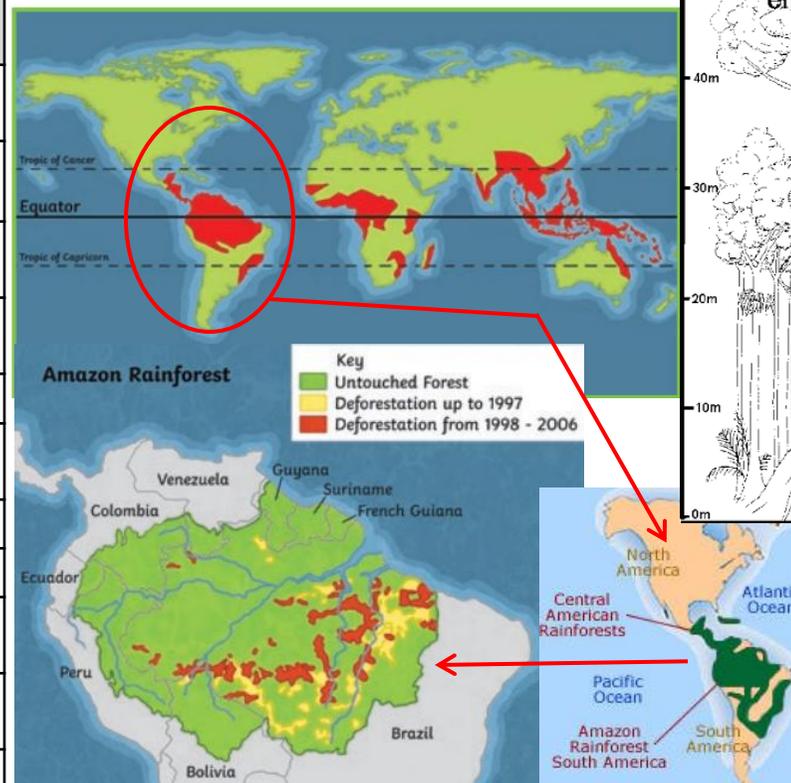

# Knowledge Organiser Year 6 Geography: Wonderful World - Central American Rainforests.

## Concept: Human Geography

## Positive and negative effects of humans

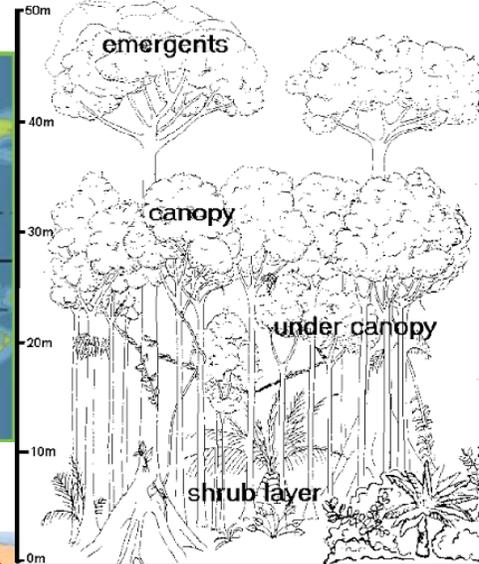

Key Vocabulary	Things we already know New vocabulary
<b>tropical rainforests</b>	a dense forest, normally found in the tropical (hottest) areas of the world with high rainfall.
<b>temperate rainforests</b>	still get a lot of rain, but found in places that are less warm. There aren't as many plants (e.g Australia).
<b>habitat</b>	the natural home or environment of an animal, plant or organism.
<b>ecosystem</b>	a community of plants and animals that depend on each other to survive.
<b>biodiversity</b>	the variety of life/ species in an ecosystem.
<b>interdependent</b>	when two or more people or things rely on each other.
<b>deforestation</b>	the action of clearing a wide area of trees.
<b>climate change</b>	the process of our planet heating up.
<b>Greenhouse Effect</b>	gases released from machines trap more energy and increase the Earth's temperature.
<b>sustainability</b>	meeting the needs of today, without compromising the needs of tomorrow.
<b>Equator</b>	<b>imaginary line through the middle of the Earth that receives the most sunlight/ warmest temperatures.</b>
<b>Tropics of Capricorn &amp; Cancer</b>	imaginary lines north (Cancer) and south (Capricorn) of the Equator. All rainforests are found here.

Rainforests around the world

Countries of the Amazon rainforest

Layers of the Rainforest

Teeming with plant and animal life, the rainforest is the richest ecosystem on Earth. They generate much of the world's oxygen.

The effect of deforestation:
