

"I have always imagined that paradise will be a kind of library." – Jorge Luis Borges

Dear Parents and Carers,

I've not wanted to leave classrooms as I've been around school this week seeing so much amazing learning taking place across the curriculum. For example, learning to play glockenspiels in Lerryn, creating clay tiles in Fowey, super sewing in Loveny, science investigations with coloured dye and plants in Valency, computer programming in Tamar, making catapults for DT in Lynher and Camel Class created beautiful artwork with the artist Melanie Young this week. This is just taster of our busy learning bees at Dobwalls!

Today, we welcomed representatives from the School Councils across our fellow Trust Schools of Trewidland, Landulph, Saltash Secondary, Liskeard Secondary and Looe Secondary. We led a conference titled, "Our SMART Trust", thinking about what makes us SMART learners, leaders and part of a SMART community. Our whole school proudly shared our wonderful school.

Best wishes and have a lovely weekend,
Mrs Pipe, Headteacher

Star Learners

The star learners this week are Fowey Class. In maths, Fowey Class have started learning about multiplication by focusing on making groups, making arrays and writing repeated addition sentences. They have certainly demonstrated the SECRET skill of 'go for it, finish it' as they've completed various practical challenges individually, in pairs and in groups. They have also been building on their knowledge of counting in 2s, 5s and 10s. Well done Fowey - a fantastic week of maths learning!
