

"Reading is to the mind what exercise is to the body." – Richard Steele

Dear Parents and Carers,

On Monday, Fowey Class (Y1) started the week with a brilliant trip to the Plymouth Aquarium. In the words of one of our parent volunteers, "they all had a whale of a time!" They began their day with a workshop learning all about the plastics in our oceans, they opened up a whale's stomach to see the impact on what whales are eating. They then had a guided tour of the aquarium learning about the amazing underwater world. A wonderful trip loved by one and all!

This term, we are all writing poetry which I am excited to announce will be being professionally published in conjunction with our other SMART Trust Schools. More information in due course. This week, it has been a delight to welcome in local poet Jan who has been inspiring and helping the children with their poetry writing. She was fascinated by their writing, thoughts and ideas! So lovely to welcome members of our community in to work with our brilliant children.

Last Friday, Tamar Class (Y4) had their final bowls session at the outdoor Liskeard Bowls Club. Coached by members of the club, the class practised their skills learnt over the last term. It has been fantastic learning a new sport for one and all - even Mr Jones! Prior to this, they have spent time at the Dobwalls Indoor Bowls. We are so grateful to both Dobwalls and Liskeard for their time given to our children - thank you!

Next week, we look forward to welcoming our new intake children with a parents on Wednesday evening - we have a full class of 30 joining us which is fantastic.

Wishing you a lovely weekend.

Mrs Pipe, Headteacher

Missing!

A child in Reception Class lost a number blocks purse when they came along to the movie night last week. If you have found it, please hand it in to the office or to the Reception Class staff at the end of the day.

Please Donate!

We have 3 pupils, Coco, Elowen and Daisy Blue taking part in the Mud Challenge this year. They would like to raise as much money as possible to support Cancer research. This link will take you to their donations page with more details.

Football (pel droos)

The girls football team played in the match final on Tuesday. They played so well—we are so proud of them for getting so far! They may not have won but they played magnificently, showing great skills and sportsmanship. Well done to everyone in the team!

The star learners this week come from Year 1. Fowey Class went on a school trip to the Plymouth Aquarium as part of their RE learning to answer the question

"How should we care for the world and for others, and why does it matter?"

The class became marine biologists for the day and represented Dobwalls superbly throughout. With Georgia and Rachel as our guides, we explored all the different sections of the aquarium and learned how the natural world provides its own ways of caring for it's sea creatures. For example, clown fish cover themselves in snot to prevent them from being stung by sea anemones!

We also participated in a workshop learning about how we can care for the oceans and seas and the creatures that live in them with a particular focus on plastic pollution and how this effects our ocean food chains. What an amazing day!
