### Power Rappers

#### **Chorus**

Yo, listen up, we're *THEE* Power Rappers  
We can be singers, astronauts, actors  
Archaeologists-Author, gymnast too  
These are our passions, how about you?

#### **Stanza 1**

Have confidence in what you want to do  
There's a happy life for me and you  
Push yourself to do the best you can  
Life doesn't always follow the plan

#### **Stanza 2**

Empathy and respect are the skills we need  
Build team strength and take the lead  
Courage will give you the final push  
Patience is the key, no need to rush

#### **Chorus**

Yo, listen up, we're *THEE* Power Rappers  
We can be singers, astronauts, actors  
Archaeologists-Author, gymnast too  
These are our passions, how about you?
