Dear Parents and Carers,

Mobile Phones – Prohibited from Schools

See it, hear it, lose it- no phones to be seen or heard 'from gate to gate'

As you may have seen in the media, The Government brought in new statutory guidance on June 29th which comes into effect on 1st September stating mobile phones are prohibited in schools and school grounds.

This will not bring a change to our practice, but we wanted to remind you and children.

We do not believe that children need phones at school. However, if you feel your child does, they must be handed into the office for the day and turned off. Children cannot turn on until they are off school property. If you need any message given to your child, please do telephone the office and this will be shared.

If we discover any mobile phone, it will be confiscated, and this is a 'red' behaviour so we will be contacting you direct.

Children will be reminded of this in assembly over this week and again in September on our return.

Thank you for your support.

Yours sincerely

Mrs K Pipe
Headteacher
