### **Whole School Approach to Teaching and Learning:**

Dobwalls Primary is an inclusive school. All staff are committed to being proactive in identifying and providing for the needs of all children in a wholly inclusive environment. All teachers are teachers of children with special educational needs and disabilities. As such, we adapt a 'whole school approach' that involves all the staff adhering to a model of good practice. The Governing Body and teaching staff will do their best to ensure that the necessary provision is made for any pupil who has special educational needs and disabilities. Reasonable adjustments are made to support. We successfully work with children with a range of needs across the four areas of need as stated in the Code of Practice, including:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health
- Physical and/or Sensory Needs

The school will actively seek the involvement of parents/carers in the education of their children. It is recognised that it is particularly important with pupils who have special educational needs and disabilities, where the support and encouragement of parents/carers is often the crucial factor in achieving success. The school will also work to ensure that pupils are fully aware of their next steps. Efforts will be taken to involve pupils in decisions that are taken regarding their education.

Our Universal; Targeted; Personalised provision can be found ([here](#)):

### **Our Graduated Response for Learners:**

- Continual monitoring of the quality of teaching
- Identification of children whose needs are additional and different and who require SEN Support; placement on the School's Record of Need; initiation of "assess, plan, do, review" cycle.
- Consideration of application for Education, Health and Care Plan.
- All children/young people identified as requiring SEN Support, or with an Education, Health and Care Plan (EHCP) are on our Record of Need.

### **How we identify children/young people that need additional or different provision:**

- Class teachers record their concern on a SEND Concern form which is given to the SENDCO.
- Observations, marking and analysing pupil's work.
- Regular discussions with parents and carers, both formal and informal.
- Termly pupil progress meetings
- Ongoing curriculum assessments. School academic reports.
- Tracking progress using data to inform APDR, including assessment, attendance, behaviour and student voice 'All About Me'.
- Further assessments by specialists, including those from external agencies linked to the four classifications of need.

We take a holistic approach by considering all aspects of a child's development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEND, is set out in our School Offer. Our measures to prevent bullying can be seen in our Anti-bullying policy. Our measures to keep all children, including children with SEND, safe are outlined in our Safeguarding Policy.

### **Partnerships with other schools and how we manage transitions:**

We have worked with several schools in the area in the following ways:

- Transition to Secondary Schools (Liskeard, Looe, Callington and Devonport High)
- Transition into Reception Class from Dobwalls School Nursery and other Independent Nurseries locally e.g. Bumbles
- Transition into Dobwalls School from other schools during this period, 2 pupils requiring SEND Support came to us from another setting

We ensured that the transition from Nursery to Reception was smooth by regular communications, including visits, between relevant school staff, the feeder Nurseries and parents. For all year groups, the relevant school staff met to share information regarding all individual pupils during the Summer term. Some pupils on the SEND Record of School Support had additional transition support for preparation to move into the next class. The transition of Year 6 to secondary schools was supported through the sharing of information between the Year 6 teacher and the schools' SENDCOs. Pupils with SEND received enhanced transition packages. A transition session was delivered by our NHS Education Mental Health Worker.

### **Ongoing development:**

We work hard to ensure that any areas of support for our learners which can be improved, are identified and strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEND Development/Action Plan.

### **Our complaints procedure:**

Our complaints procedures can be found on our school website.
